

Military Odyssey

19th March 2014.

To whom it may concern;

Spearfish Creek have attended our SHOW for the last 2 years and will also be with us this year.

The group members are very amiable and have always put on a good show for the public, depicting life in the early American West.

They are fastidious in their strive for authenticity and we have received positive feed-back from the public regarding them.

Health and Safety is paramount in their set-up and they are fully aware of the obligation to public safety.

Best regards ; James and Roger Aslett. Event Organisers.
